Bank stabilization project starts in Sumner County

A bank stabilization project is scheduled to begin Jan. 9 along the Ninnescah River about 1.5 miles north of the U.S. 81/K-55 junction.

Although no roads will be closed to traffic, drivers should watch out for truck traffic from the \$879,046 project.

Dondlinger Construction of Wichita is the primary contractor for the project, expected to be completed by April.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361.

This information can be made available in alternative accessible formats upon request.

For information about obtaining an alternative format, contact the KDOT Office of Public Affairs, 700 SW Harrison St., 2nd Floor West, Topeka, KS 66603-3754 or phone 785-296-3585 Voice/Hearing Impaired – 711.
