Asphalt crack repairs scheduled to begin Oct. 26

Crews are scheduled to begin making asphalt crack repairs Oct. 26 in Stafford and Pawnee counties.

The project includes repairs on U.S. 281 from the U.S. 50 junction north to the K-19 junction in Stafford County; K-19 from the Pawnee/Stafford county line east to the U.S. 281 junction; and K-19 from the K-19 spur to the Pawnee/Stafford county line in Pawnee County.

Scodeller Construction Inc. of Wixom, Michigan, is the primary contractor for the \$161,633 project. Crews have 35 working days to complete the project. Traffic will be controlled with a pilot car and flaggers.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361.

This information can be made available in alternative accessible formats upon request.

For information about obtaining an alternative format, contact the KDOT Office of Public Affairs, 700 SW Harrison St., 2nd Floor West, Topeka, KS 66603-3754 or phone 785-296-3585 Voice/Hearing Impaired – 711.
