Portion of U.S. 281 closed in Pratt

U.S. 281 remains closed Wednesday morning in the city limits of Pratt due to law enforcement activity three blocks north of the U.S. 281 and U.S. 54 junction. Passenger cars and conventional semis can follow a marked detour using local streets.

Superloads and oversized loads will have to be approved for alternate routes as the detour cannot accommodate these loads.

The duration of closure is unknown at this time. Please be aware there is heavy law enforcement presence in this area, and entrance in to the area is not allowed.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361.
