Crack repairs to U.S. 50 in Reno County scheduled to begin Dec. 4

Crews are scheduled to begin repairing cracks on just more than eight miles of U.S. 50 in Reno County on Dec. 4.

The project will start on U.S. 50 from the four-lane/two-lane division east of Hutchinson and continue east to the Reno/Harvey county line.

Pavement Pros LLC of McPherson is the primary contractor for the \$117,977 project. The contractor has 45 working days to complete the project.

Flaggers and a pilot car will control traffic.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361.
