## Project at Cowley State Fishing Lake to start April 30

A \$76,444 asphalt overlay project on the road around Cowley State Fishing Lake will close the lake to the public for two weeks beginning April 30.

Prime contractor Cornejo & Sons LLC of Wichita will place a four-inch asphalt overlay over the road.

Cowley State Fishing Lake is about 16 miles east of Arkansas City immediately adjacent to U.S. Highway 166.

KDOT urges all motorists to be alert, obey warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone.
