## **Work on U.S. 54 in Pratt scheduled to start June 14**

A chip seal project is scheduled to begin Thursday on U.S. 54 from the K-61 junction to about five miles east where the highway becomes four lanes.

Heft & Sons LLC of Greensburg is the primary contractor for the \$205,803 project. It has 10 working days to complete the project.

Traffic will be controlled with flaggers and a pilot car operation.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361 or 1-877-550-5368 (toll free).
