## **Project on K-156 in Barton County scheduled to begin Sept. 17**

Crews are scheduled to begin sealing, patching and striping a 17-mile stretch of K-156 in Barton County on Sept. 17.

Pavement Pros LLC of McPherson is the primary contractor for the \$36,235 project. It will start on K-156 from the east junction and head northeast to the Barton/Edwards county line. Traffic will be controlled with a flagging and pilot car operation.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects may call South Central Kansas Public Affairs Manager Deb Gruver at 620-663-3361.
