Bridge work will limit traffic on I-135 at Newton

Bridge work will restrict traffic on I-135 between the north and south side of Newton.

I-135 between the U.S. 50 junctions on the north and south sides of Newton will be restricted to one lane in both directions.

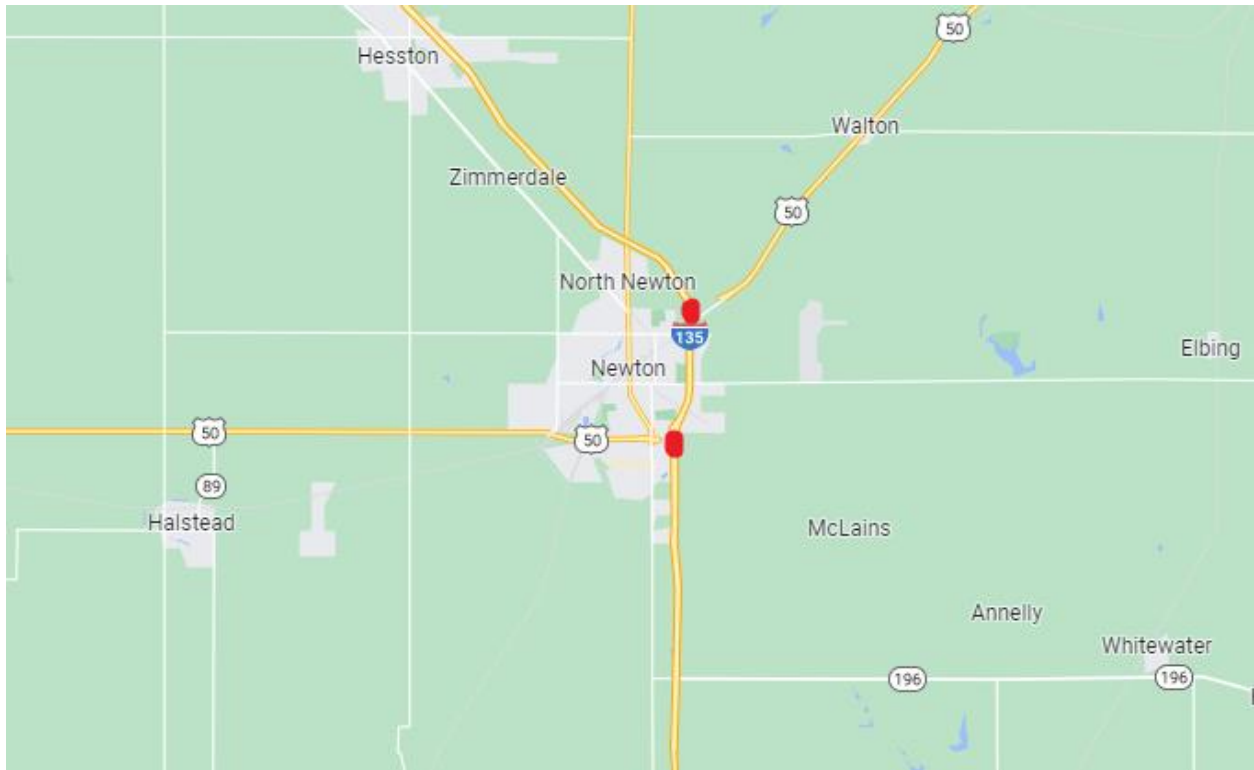

The traffic restriction is expected to start around 9 a.m. Monday, Nov. 21, and end around Jan. 13.

The restriction is to allow work, including bridge approach and pavement replacement, on the I-135 bridges at Broadway Avenue and First Street.

Motorists will be directed to drive at a reduced speed, and there will be an 11-foot width restriction.

The map below shows the approximate location of the upcoming traffic restriction, between the red dots.
