U.S. 160 rail crossing to close for repairs

The South Kansas & Oklahoma (SKOL) Railroad plans to close and repair its crossing on U.S. 160 approximately two miles west of Grenola starting Tuesday, June 9, and continuing until Monday, June 15, weather permitting.

Traffic will follow the signed detour on K-99, U.S. 166, K-15 and U.S. 160 during the weeklong closure.

Persons with questions may contact Kansas Department of Transportation Superintendent Marcus Leck, (620) 577-7313, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
