# U.S. 169 resurfacing project to start in Miami County

Monday, March 21, the Kansas Department of Transportation (KDOT) expects to start a resurfacing project on the northbound lanes of U.S. 169 in Miami County. The work begins at Baptiste Drive at Paola and continues north to end 1.4 miles south of the Miami-Johnson county line.

Activity includes placing a 3-inch overlay, 1-inch reflective crack interlayer and shoulder rumble strips on the roadway. Traffic will be carried through construction with intermittent lane closures. KDOT awarded the construction contract of \$6.7 million to Bettis Asphalt & Construction Inc. of Topeka. Weather permitting, the project should be finished by mid-July.

Persons with questions may contact KDOT Area Engineer Donna Schmit, (785) 433-6107, or Public Affairs Manager Priscilla Petersen, (620) 902-6433. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more road condition and construction details.
