## K-39 bridge replacement project starts in Bourbon County

The Kansas Department of Transportation (KDOT) plans to start work Thursday, April 1, on a project to replace a bridge on K-39 in Bourbon County. The bridge spans Pawnee Creek and is located approximately 7½ miles east of the east K-3/K-39 junction.

K-39 traffic will be placed on a state route detour around the work zone. Eastbound traffic, from the K-3/K-39 east junction, will travel south on K-3 to K-47, east on K-47 to K-7, and north on K-7 to K-39. Westbound K-39 traffic should follow the same route in the opposite direction.

KDOT awarded the \$1.4 million construction contract to B&B Bridge Company, Inc., of St. Paul. Weather permitting, the project should be completed by November 2021. Persons with questions may contact Iola Area Engineer Troy Howard, (620) 901-6557, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
