Guardrail improvements start on U.S. 400 in Wilson County

Monday, Feb. 15, the Kansas Department of Transportation (KDOT) plans to begin a project to make guardrail improvements on U.S. 400 in Wilson County.

Guardrail will be replaced at 12 locations between the Greenwood-Wilson county line and K-47. Most of the work will take place off the highway, with minimal impacts to traffic.

KDOT awarded the \$323,780 construction contract to Bettis Asphalt & Construction, Topeka. Weather permitting, the project should be completed by late April. Drivers are reminded to slow down and pay attention. Persons with questions may contact Independence Area Construction Engineer Geryd Erbele, (620) 577-7314, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.

Guardrail improvements will be made at 12 locations along U.S. 400 in Wilson County
