U.S. 54 road work at Eureka begins Sept. 21

The Kansas Department of Transportation (KDOT) plans to begin a resurfacing project on U.S. 54 through the city of Eureka on Monday, Sept. 21.

Project activity includes a mill and overlay and patching on U.S. 54 between the east and west city limits of Eureka. New curb and gutter and sidewalks will also be installed along sections of U.S. 54.

Traffic will be restricted to one lane in each direction at the work zone. KDOT expects the project to be complete in May 2021, weather permitting. APAC-Kansas, Inc., Shears Division of Hutchinson is contractor on the project, which has a construction cost of \$2.2 million.

Persons with questions may contact KDOT Area Engineer Darrin Petrowsky, (620) 901-6557, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
