## Intersection improvement project to begin at Frontenac

The Kansas Department of Transportation (KDOT) expects to start an intersection improvement project at U.S. 69 and McKay Street in Frontenac on Monday, April 11.

McKay Street will be closed on the west side of U.S. 69 for the duration of the project. U.S. 69 traffic will be unable to turn west on McKay at the intersection. Use alternate routes.

KDOT awarded B & B Bridge Company of St. Paul the construction contract of \$521,885. Weather permitting, the project should be finished by late July. Persons with questions may contact KDOT Construction Engineer Kyler Farmer at (620) 308-7617 or Public Affairs Manager Priscilla Petersen, (620) 902-6433. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more road condition and construction details.
