## KDOT to replace bridge on K-39 in Bourbon County

The week of April 24 the Kansas Department of Transportation (KDOT) expects to start a project to replace the Owl Creek bridge on K-39. The bridge is 2 miles east of the east K-3 junction.

The bridge will be replaced one half at a time, with temporary signals directing one-lane traffic through the work zone. Expect brief delays. The new bridge should be open in late 2023.

KDOT awarded the construction contract of \$2 million to Bridges Inc., of Newton. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more highway condition and construction details. Persons with questions may contact Construction Manager Warren Ebberts at (620) 901-6549 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
