# Resurfacing work to start on K-39 and U.S. 59

The Kansas Department of Transportation (KDOT) expects to begin mill and overlay projects on K-39 and U.S. 59 in Neosho County the week of June 26. The adjoining projects start on K-39 east of Chanute and continue east and north for 15 miles, ending at the Neosho-Allen county line. The contractor plans to begin at the county line and work westward.

Flaggers and a pilot car operation will guide one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less. The road work should be finished by August, weather permitting.

KDOT awarded the construction contract of \$4.6 million to Bettis Asphalt & Construction Inc., Topeka. Check KDOT's traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more highway condition and construction details. Persons with questions may contact Doug Pulliam at KDOT-Pittsburg, (620) 235-9523, or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
