### **K-99 to be resurfaced north of Sedan next month**

The week of May 8 the Kansas Department of Transportation (KDOT) expects to begin a mill and overlay project on K-99 from Sedan north to the Chautauqua-Elk county line.

Flaggers and a pilot car operation will direct one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less. The road work should be completed by June, weather permitting.

KDOT awarded the construction contract of \$2.3 million to Pearson Construction, LLC, Wichita. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more highway condition and construction details. Persons with questions may contact Area Engineer Geryd Erbele at (620) 577-7314 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
