## U.S. 160 resurfacing project starts April 3

Monday, April 3, the Kansas Department of Transportation (KDOT) expects to begin a mill and overlay project on U.S. 160 in Montgomery County. The work starts at the east city limits of Independence and continues east for 6.3 miles to U.S. 169.

Flaggers and a pilot car operation will direct one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less. The road work should be completed by mid-April, weather permitting.

KDOT awarded the construction contract of \$907,756 to Pearson Construction, LLC, of Wichita. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more highway condition and construction details. Persons with questions may contact Area Engineer Geryd Erbele at (620) 577-7314 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
