Minnesota Road repairs next week

Starting Monday, March 11, traffic will experience brief delays on and below the Minnesota Road bridge over U.S. 169. During daylight hours flaggers will direct one-lane traffic through bridge approach repairs on the deck, and through concrete pavement patching operations on U.S. 169 beneath the bridge.

The work should be finished in one week, and is part of the U.S. 169 pavement reconstruction project in Allen County. Persons with questions may contact KDOT Iola Area Engineer Darrin Petrowsky at (620) 365-2161, or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
