## **Temporary signals controlling traffic at U.S. 160/169 interchange**

Temporary traffic signals are being installed at the north junction of U.S. 160/169 east of Independence this week. KDOT is reconstructing the intersection as a grade-separated interchange.

U.S. 169 traffic will run head-to-head on the northbound lanes. The signals will control eastbound U.S. 160 traffic, and north- and southbound U.S. 169 traffic. Expect minimal delays.

Persons with questions may contact Darrin Petrowsky at KDOT-Independence, (620) 577-7312, or Priscilla Petersen at KDOT-Chanute, (620) 902-6433.
