Construction begins on second Hamilton County Bridge

Work to replace a second bridge on U.S. 50 in Hamilton County is expected to begin March 1. The bridge is located 7.5 miles east of the state line in Hamilton county. Traffic will be reduced to one lane controlled by signal lights during the project. Concrete barriers will be in place to accommodate alternating one-way traffic across the bridge. A 10-foot width restriction will be enforced during the project.

Bridges Inc. is the contractor on this \$1.2 million project which is expected to be completed in September 2018, weather permitting.

For more information on this project, contact Larry Myer, Construction Manager, at (620)384-7821 or Lisa Knoll, KDOT District 6 Public Affairs Manager, at 620-765-7080.

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1.
