K-25 project to begin in Kearny and Wichita counties

Crews are expected to begin a scrub seal project on K-25 from the U.S. 50/K-25 junction in Lakin north to the south Leoti city limit on Thursday, August 2.

Traffic will be reduced to one lane controlled by flaggers and a pilot car. KDOT urges drivers to pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

Heft and Sons of Greensburg is the contractor on this \$1.2 million project which is expected to be completed in late September, weather permitting.

For more information on this project, contact Tim Nichols, KDOT Engineering Technician Specialist, at (620) 499-9001 or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1.
