## **Erives named District Equipment Shop Supervisor**

Oswaldo Erives of Garden City has been promoted to District Six Equipment Shop Supervisor. Erives began his KDOT career in 2014 as a Utility Worker in the District Shop and was promoted to Equipment Mechanic later that year and to Equipment Mechanic Specialist in 2017.

Erives graduated from Garden City High School, attended GCCC for automotive diagnostics and has participated in a number of specialized trainings during his time with KDOT. As a member of the District Six team, he received a safety award in 2017.

Erives says the best thing about his job at KDOT is that his co-workers are like family, "We are always looking out for each other" he adds.

In addition, Erives says that last winter brought some of his best memories, "It was just good to help out and keep the equipment running during a difficult winter season. Just being a part of that was good."
