U.S. 56 resurfacing to begin Haskell and Gray counties

Crews are expected to begin a resurfacing project on U.S. 56 in Haskell and Gray counties on Monday, July 26, according to the Kansas Department of Transportation. The project includes U.S. 56 from the east K-190 junction in Haskell County to the west city limits of Montezuma in Gray County.

Work on the 30-mile project will be broken into smaller sections. Traffic will be reduced to one lane guided by a pilot car during the project. Motorists should expect delays and add extra time to their travel schedule. Venture Corporation is the contractor on this \$4.1 million project, and it is expected to be completed in October, weather permitting.

For more information on this project, contact Larry Meyer, Construction Manager, at (620) 384-7821-7096, or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.
