Roadwork to begin in Logan/Gove Counties

On **Monday, May 19**, a resurfacing project will begin on a 20-mile stretch of I-70 from Oakley to Grainfield. The roadway will be resurfaced with a thin lift of asphalt that is intended to improve the driving surface and extend the life of the roadway. Venture Corp. of Great Bend is the primary contractor on this project with a contract cost of \$3.8 million.

The project is expected to be complete by the end of June.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone.

This project is funded by TWORKS, the transportation program passed by the Kansas Legislature in May 2010. For more information on this project, please contact Mathew Withington, Area Engineer, at (785) 443-1265 or matheww@ksdot.org. Find out more about other TWORKS projects at <http://kdotapp.ksdot.org/TWorks/>.
