Roadwork to begin in Cheyenne County

APAC Kansas, Inc. of Hays will start a pair of resurfacing projects in Cheyenne County on **Monday, May 19**. The first project will be K-161, which spans 17 miles from U.S. 36 to the state line. That project will be followed by a mile long section of U.S 36 from the west junction of K-27 to the west city limits of St. Francis. On each project the roadway will be milled and overlaid with 1 ½ inches of new asphalt. These projects are intended to improve the quality and extend the life of the roadways. **Both projects are scheduled to be complete by the middle of June** at a contract cost of \$1.5 million.

These projects are funded by TWORKS, the transportation program passed by the Kansas Legislature in May 2010. For more information on these projects, please contact Rob Percival, Construction Engineer, at (785) 322-7024 or Percival@ksdot.org. Find out more about these and other T-WORKS projects at <http://kdotapp.ksdot.org/TWorks/>.

##

For information about obtaining an alternative format, contact the Bureau of Transportation Information, 700 SW Harrison St., 2nd Fl West, Topeka, KS 66603-3754 or phone 785-296-3585 (Voice)/Hearing Impaired – 711.
