## **K-25 to close south of Russell Springs for bridge project**

Starting the week of Feb. 18, the Kansas Department of Transportation will close a portion of K-25 near Russell Springs.

The closure is necessary for a bridge reconstruction project approximately half a mile south of Russell Springs. Traffic will be detoured using U.S. 40, U.S. 83 and K-96 throughout the duration of the project, which is expected to be completed by mid-October.

KDOT awarded the \$1.6 million contract to L&M Contractors of Great Bend. For more information about the project and road closure, contact KDOT construction engineer Rob Percival at 785-877-3315 or [rob.percival@ks.gov](mailto:rob.percival@ks.gov).
