Bridge replacement planned on K-9

The Kansas Department of Transportation expects to begin a bridge replacement project along K-9 in Smith County the week of Nov. 4.

Crews will be replacing the bridge over Cedar Creek located approximately one mile east of Cedar. Work this winter will consist of constructing a temporary bridge and shoofly detour in preparation for the bridge replacement work to take place next spring. The project is expected to be completed by November 2020, weather permitting.

L&M Contractors is the primary contractor with a total project cost of approximately \$2.5 million. For more information, contact Phillipsburg area construction engineer Jim Riener at 785-543-2163 or jim.riener@ks.gov.
