K-9 bridge project in Norton County to start this week

The Kansas Department of Transportation expects to begin work this week on a bridge replacement project on K-9 in Norton County.

Crews will be replacing the bridge over Big Timber Creek located near Densmore. K-9 will be closed to through traffic throughout the duration of the project, which is expected to be completed by the end of September, weather permitting. Traffic will follow the signed detour on U.S. 36, U.S. 183 and U.S. 283.

King Construction of Hesston is the primary contractor for the project with a total contract cost of \$1.4 million. For more information, please contact KDOT area construction engineer Jim Riener at 785-543-2163 or jim.riener@ks.gov.
