K-383 comment period extended through March 19

The Kansas Department of Transportation has extended the public comment period regarding options to improve a portion of K-383 in Norton and Phillips counties. Comments will now be accepted through March 19.

The section under consideration spans approximately 14 miles starting near Almena and ending 2.5 miles east of Long Island. KDOT, in conjunction with Wilson & Co. and GBA, have proposed three different construction alternatives for public review.

Brochures detailing the project options are available for the public at the Almena and Long Island community buildings. The information can also be viewed online at www.k383almenatolongisland.com.

Comments may be submitted through the following channels:

- Comment drop boxes located in the Almena and Long Island community buildings
- The project website at www.k383almenatolongisland.com
- Email to lisa.mussman@ks.gov

Persons with questions may contact KDOT public affairs manager Lisa Mussman at 785-877-3315 or lisa.mussman@ks.gov.
