Construction underway on U.S. 83 in Logan County

The Kansas Department of Transportation has started work on a resurfacing project on a portion of U.S. 83 in Logan County.

Crews are overlaying a 29-mile stretch starting at the Scott County line and extending north to the U.S. 40 junction in Oakley. Traffic is reduced to one lane through the work zone and directed by flaggers and a pilot car during daylight hours. Delays of up to 15 minutes may be possible.

KDOT expects the project to be completed by the beginning of July, weather permitting. APAC Kansas Inc., Shears Division, of Hutchison is the primary contractor with a total contract cost of \$5.4 million.

For more information, contact KDOT area construction manager Todd Anderson at 785-953-6011 or todd.anderson@ks.gov.
