The Kansas Department of Transportation is hosting nine meetings in October as part of the Eisenhower Legacy Transportation Program (IKE) Local Consult process. KDOT holds Local Consult meetings every two years to discuss regional transportation project priorities with Kansans.

The fourth meeting will be in Hays and focus on transportation in northwest Kansas (KDOT District 3). **It will take place on Tuesday, Oct. 10, from 9 a.m. – noon, at the Hilton Garden Inn in Hays.**

Those who attend will have an opportunity to share their region's transportation priorities, hear about more investments being made in transportation and learn about various grant funding programs available through KDOT. The meeting is open to the public.
