K-123 reopened to traffic

The Kansas Department of Transportation has reopened K-123 in Decatur and Sheridan counties.

Construction has been suspended for the winter and the contractor expects to resume work in late April. Remaining project activities include additional mainline and shoulder paving, striping and installation of edge-line rumble strips. The road will remain open during construction, and traffic will be directed by flaggers and a pilot car.

For more information, contact KDOT area engineer Eric Oelschlager at 785-443-1266 or eric.oelschlager@ks.gov.
