### **Work resuming on K-123 in Decatur, Sheridan counties**

The Kansas Department of Transportation plans to resume work on the reconstruction of K-123 in Decatur and Sheridan counties starting Wednesday, May 3.

Crews will be completing final surfacing and shoulder work on the 6 miles between the K-23 junction in Sheridan County and K-383 junction in Decatur County. Pavement markings and rumble strips will also be installed. Traffic will be reduced to one lane during construction and directed through the work zone by flaggers and a pilot car. Delays of up to 15 minutes should be anticipated.

KDOT expects the project to be completed in early June, conditions permitting.

For more information, contact KDOT area construction manager Todd Anderson at 785-953-6011 or [todd.anderson@ks.gov](mailto:todd.anderson@ks.gov).
