Open house planned for K-383 project

The Kansas Department of Transportation will hold an open house on Monday, Jan. 30, for the upcoming reconstruction of 6 miles of K-383 in Norton County.

The event is scheduled from 4 p.m. to 6 p.m. at the Almena Community Building located at 421 Main Street in Almena.

Attendees will be able to review the project plans and expected traffic impacts. KDOT staff will be also available for questions and comments about the project. Please note, no formal presentation will be given; participants are welcome to come and go at any time during the event between 4 p.m. and 6 p.m.

The project is the second phase of KDOT's reconstruction of the 26-mile K-383 corridor in Norton and Phillips counties. Construction activities include reconstruction and widening the highway on existing alignment as well as adding paved shoulders. Work is expected to begin this spring and be completed by the end of 2023, weather permitting.

Anyone who requires language translation, special assistance or accommodation to attend the meeting should contact KDOT public affairs manager Lisa Mussman at 785-874-8107 or lisa.mussman@ks.gov one week before the meeting date.
