Public invited to meeting on K-9 bridge reconstruction projects

The Kansas Department of Transportation will hold a public meeting and open house from 5:30 p.m. to 6:30 p.m. on Monday, May 1, to provide information on three upcoming bridge reconstruction projects along K-9 in Norton and Phillips counties.

The event will be held at the Logan Community Building, located at 107 N Mill Street in Logan. KDOT and project representatives will provide a project overview starting at 5:30 p.m. Design plans and detour information will also be available for review.

Construction on the bridges will take place in 2023 and 2024. In Norton County, the bridge being replaced is located approximately 4 miles east of the K-173 junction. The Phillips County bridges are located 3.5 and 7.5 miles east of the Norton County line.

Anyone who requires language translation, special assistance or accommodation to attend the meeting should contact KDOT public affairs manager Lisa Mussman at 785-874-8107 or lisa.mussman@ks.gov one week before the meeting date.
