### **Field survey planned for U.S. 36 bridge in Phillips County**

The Kansas Department of Transportation plans to begin a field survey for a proposed bridge replacement project along U.S. 36 in eastern Phillips County starting the week of April 17.

The bridge, which spans the Kyle Railroad, is located approximately 13 miles east of the U.S. 183 junction, or 2 miles east of Agra. Activities will include the use of survey instruments on the ground to determine locations of existing features within the survey corridor. KDOT expects work to be complete in early July.

A member of the survey crew will contact property owners or tenants for permission to enter private property if access is needed. John Sommers of JEO will oversee the survey for KDOT.

For more information, please contact KDOT public affairs manager Lisa Mussman at 785-874-8107 or [lisa.mussman@ks.gov](mailto:lisa.mussman@ks.gov).
