K-22 work to begin Tuesday in Washington County

On Tuesday, July 21, the Kansas Department of Transportation will begin a mill and overlay on K-22 in Washington County. Work on K-22 will begin at the K-22/U.S. 36 junction and continue north to the city limits of Haddam.

Drivers should expect a delay of up to 15 minutes and plan extra time in their travel schedules. Construction will occur during daylight hours and traffic will be reduced to one 12-foot lane following a pilot car through the work zone.

Hall Brothers Construction Co. of Marysville is the prime contractor and have scheduled this project to be completed by August 24, 2020, weather permitting, at a cost of \$340,000.

KDOT urges all motorists to be alert and obey the warning signs when approach and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1.
