Bridge replacement in Mitchell County begins tomorrow

On Wednesday, June 24, workers will begin replacing the bridge over Limestone Creek on A Road at the Mitchell/Jewell County line. That is about 4.5 miles north and 1.5 miles west of Glen Elder in Mitchell County.

The roadway will remain closed throughout construction, which is scheduled for completion in October, weather permitting. Please use an alternate route.

This is a Mitchell County project, administered by the Kansas Department of Transportation. Reece Construction Co. Inc. of Salina is the primary contractor for this \$692,277 project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
