## K-4 mill and overlay begins April 23

On Thursday, April 23 the Kansas Department of Transportation will begin a mill and overlay project on K-4 from Hope to U.S 77 by Herington in Dickinson County for approximately 8 miles.

Work will occur during daylight hours with flaggers and a pilot car to move traffic through the work zone. Drivers should expect a delay of up to 15 minutes and plan extra time in their travel schedules.

Shilling Construction Company of Manhattan is the prime contractor for this project at a cost of \$1 million. The contractor has scheduled this project to be completed in late May 2020, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
