## **Highway project rescheduled in Marion and Chase counties**

The Kansas Department of Transportation has rescheduled a project for a mill and overlay to begin on Monday, May 4, weather permitting. This project includes approximately 16.5 miles of K-150 from U.S. 77/U.S. 56 to U.S. 50 in Marion County and Chase County.

Work will occur during daylight hours with flaggers and a pilot car to move traffic through the work zone. Drivers should expect a delay of up to 15 minutes and plan extra time in their travel schedules.

Cornejo and Sons LLC. Of Wichita is the prime contractor for this project at a cost of \$1.4 million in Marion County and \$1.6 million in Chase County. The contractor has scheduled this project to be completed in July, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
