## **K-4 resurfacing in Ellsworth & McPherson counties**

A 20-mile milling and hot-mix asphalt overlay project on K-4 began today, Mar. 14, six miles west of the Ellsworth and McPherson county line and continuing east to the Lindsborg city limits. Traffic will be guided through by a pilot car and flagger operation from 30 minutes after sunup, until 30 minutes before sundown. Drivers should expect delays of up to 15 minutes and plan extra time in their travel schedules.

The project is scheduled to be completed, weather permitting, by May 25. APAC Kansas, Inc. Shears Division of Hutchinson is the prime contractor on this \$1,726,956 project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone.
