## Mill & Overlay on K-149

On Aug. 23 the Kansas Department of Transportation will begin a mill and overlay project on K-149 from the junction of K-149/U.S. 56 north to the K-149/K-4 junction in Morris County for approximately 6.1 miles.

Construction will take place during daylight hours and traffic will be reduced to one 10' lane following a pilot car through the work zone. Drivers should expect a delay of up to 15 minutes and plan extra time in their travel schedules.

Shilling Construction Company, Inc. of Manhattan is the prime contractor and have scheduled this project to be completed by Sept. 7, weather permitting, at a cost of \$583,149.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1.
