**U.S. 36 resurfacing to start in Rawlins County**

A resurfacing project on a portion of U.S. 36 in Rawlins County is expected to begin around Wednesday, Sept. 6.

The Kansas Department of Transportation will complete a surface recycle and chip seal on approximately 11 miles of U.S. 36 starting at the Cheyenne County line and ending at County Road 11. Traffic will be reduced to one lane through the work zone and directed by flaggers and a pilot car during daylight hours. Delays, not exceeding 15 minutes, should be expected.

The project is scheduled to be completed by the end of October, conditions permitting.

Dustrol Inc. of Towanda is the primary contractor for the \$1.7 million project. For more information, contact KDOT Area Construction Manager Todd Anderson at 785-953-6011 or [todd.anderson@ks.gov](mailto:todd.anderson@ks.gov).
