## **Bayless retires from KDOT**

Greg Bayless, Highway Maintenance Supervisor for the Kansas Department of Transportation (KDOT), is retiring on June 1 after more than 36 years of dedicated service to the state of Kansas.

Bayless began at KDOT in 1983 and has worked his entire career at the Subarea office in Anthony. He started as an Equipment Operator I and worked his way up to Supervisor of the Subarea. Bayless oversees the maintenance duties that take place on all the highways in Harper County, whether that is repairing potholes and guard rail, mowing right of way, directing traffic, removing snow and ice or other things as needed.

"I enjoy working with great people and taking care of the traveling public," Bayless said.

After his retirement, Bayless plans to spend time on his new 'jobs' – golfing and riding a motorcycle. He also plans to spend time with his wife, Linda; kids, Breanne, Jaden, John and Jessica; and grandchild, Kayson.
