Revel retires from KDOT

Robert Revel II, Equipment Operator Senior for the Kansas Department of Transportation (KDOT), is retiring on June 1 after 35 years of dedicated service to the state of Kansas.

Revel began at KDOT in 1984 and has worked his entire career at the Subarea office in Lyons. His job focuses on maintaining the state highways, whether that is repairing potholes and guard rail, mowing right of way, directing traffic, removing snow and ice or other things needed to improve the highways and assist the traveling public.

After his retirement, Revel plans to work as a truck driver and do some fishing when he can. He also plans to spend time with his three children, Ashley, Kristy and C.J., and four grandchildren, Kayla, Jordan, Lydia and Brecken.
