Cramer celebrates 30 years of service

Tina Cramer, Applications Programmer in the Geometric Data Unit of the Transportation Planning Bureau, has achieved a career milestone and is celebrating 30 years of valued service to the State of Kansas.

Cramer began at the Adjutant General's Office in 1984. Through her 30-year career she has also worked for KPERS, the Department of Health and Environment and the Department of Revenue before coming to the Kansas Department of Transportation in 2003. In her current position, Cramer provides database and application support for the Control Section Analysis System (CANSYS) application.

She and her husband, Ron, have two children and reside in Topeka.
