## **KDOR and KDOT host Kansas Ignition Interlock Conference**

The Kansas Department of Transportation and the Kansas Department of Revenue are co-sponsoring the Kansas Ignition Interlock Conference to discuss various aspects of the Kansas ignition interlock program for D.U.I. offenders. Based on recent per capita data, Kansas is the second highest state for using ignition interlock devices. Trailing only to New Mexico, Kansas ranks well ahead of Iowa, ranked number three.

Attendees will learn about the evolution of the ignition interlock device, examine initiatives to regulate its installation, look at the monitoring of vendors and users and help to promote a better understanding of ignition interlocks in Kansas. Law enforcement officers, probation officers, ignition interlock vendors, prosecutors and professionals from across the interlock spectrum will be attending this first-ever conference.

The Kansas Ignition Interlock Conference will take place on Wednesday Nov. 15 from 8:30 a.m. to 4:30 p.m. in the Emerald Ballroom of the Capital Plaza Hotel in Topeka.
