K-128 in Mitchell & Jewell Counties gets Cracks sealed Update

As of Monday, Sept 16, 2013, efforts are underway to seal cracks in the surface of K-128 beginning at the US-24/K-128 junction then north to the Kansas/Nebraska state line. During construction traffic will be carried through construction by flaggers and pilot car during daylight hours with a width restriction of 11'. Plans call for this project to be completed on or about October 25th weather permitting.

The purpose of this project is to extend the life of the highway while improving the ride experienced by travelers.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
