K-57 gets Crack Sealed in Geary & Morris Counties

Beginning Thursday, Nov. 1st, K-57 starting at the K-57/K-4 intersection then north to the K-57/I-70 interchange will be under repair. The highway will have its cracks sealed in order to prevent moisture from infiltrating the road's surface. Within the workzone traffic will be reduced to one lane and will be controlled by pilot car. This is a daylight only operation.

Plans call for the project to be completed on or about Monday, Nov. 26th weather permitting.

Canyon Construction of Liberty, MO is the prime contractor. Project cost is \$106,508.85.
